Subject: Sedflume consolidation tests latest plans

Hello Ed and Rooni,

I know Rooni has no power, so I'm not sure when he'll get to read this email. Our sedflume trailer is back up and Jason is processing cores again.

If this week goes with no further events/delays, the plan will be to start the consolidation tests on Sunday November 11 -that will be Day 0, slurryring-. But please give me a day or two to confirm.

Thanks,
eugenia
